MAY TIDINGS DEADLINE

March 30, 2009

ASSEMBLY For MAY TIDINGS

April 15, 2009

*A Prayer for Easter*

*Lord,  
Thank you for spending 33 years with us:  
for announcing Love  
from the high heavens;  
for introducing Love in an  
obscure manger setting;  
for living Love in a family  
framework;  
for sharing Love with the poor  
and deprived and diseased;  
for showing Love to the  
unlovable and unloving;  
for letting little children  
feel Love in your arms;  
for suffering on a cross  
because of Love;  
for loosing Love upon the  
world to take up  
residence in us;  
for your Love that will  
not let us go. Amen.*

**FUN EASTER TIDBITS:**

A white Christmas will bring a green Easter. A green Christmas will bring a white Easter.

In all cultures, the egg symbolized the beginning of life or the universe. A Latin Proverb says, "All life comes from an egg." Eggs were dyed and eaten during spring festivals in ancient Egypt, Persia, Greece and Rome and colored eggs were given as gifts to celebrate the coming of Spring.

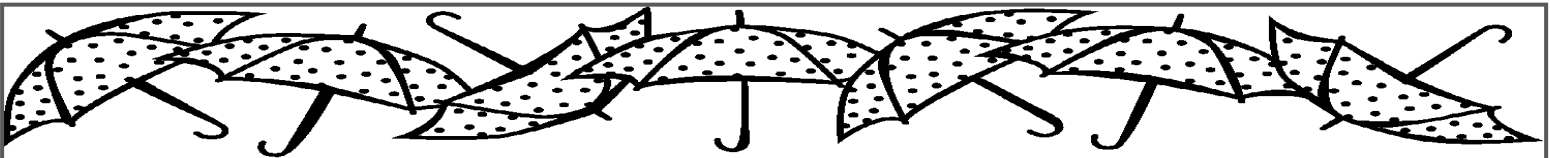

Lenten Self-Denial Folders

**LENTEN SELF-DENIAL FOLDERS**

We encourage you to generously support our church's mission and purpose through this year's Lenten Self-Denial Folders. Each day of Lent not including the Sundays, we will have the chance to donate 25 cents, one quarter. Or if you prefer, as do I, one check for the full amount 40 x .25.

You can bring these to church on Easter Sunday. Thank you!

**PIZZA HUT FUNDRAISER**

The first Monday of each month will be Trinity's day and evening at Pizza Hut in Palmyra (In front of Wal-Mart). Pizza Hut will donate 20% of "Trinity Sales" on that date back to the church by check. Any order on that date goes towards our fundraising total as long as you use the white slips, available at posted signs in the church and on the hallway table, when you get your pizza. This includes the pick-up window, delivery, eat-in, etc. Also, give some slips to a neighbor, grandparents, co-workers, friends etc. and we will earn even more cash for Trinity. ### **RECIPE FOR THE GOOD LIFE (Go to Church and Watch TV Less)**

*According to research published in Psychology and Health, older women who attended religious services at least once a week reduce their risk of death by 20 %. And the research is clear: It's something about religion—not social interaction or lifestyle choices—that makes the difference. If going to church is good for your health, watching television may not be. A 30-year study from the University of Maryland indicates a correlation between happiness and the amount of TV a person watches. Research concluded that unhappy people watch the most TV.*

**FOOD FOR THOUGHT**

*This is a little story about four people: Everybody, Somebody, Anybody and Nobody. There was an important job to be done, and Everybody was sure that Somebody would do it. Anybody could have done it, but Nobody did it. Somebody got angry about that because it was Everybody's job. Everybody thought that Anybody could do it, but Nobody realized that Everybody wouldn't do it. It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done.*

A BIG THANK YOU to all Trinity members who have signed up to help in anyway. Many hands make light work. Trinity appreciates your sharing of your time and talents!

*This new column will feature different people from Trinity each month. It's always amazing how we can see the same people week after week in church but don't get to talk with them or know much about them. We thought we would start with Consistory Members. This month we feature three of our twelve new members.*

### **Dale Pells, Consistory President (Elder)**

My family includes Molly (wife of 16 years), Miranda (10 year old daughter), and Nicholas (7-year old son). Rhonda & Renea (two older sisters), and David & Dean (two older brothers).

I am currently working as a Manufacturing Development Engineer with Tyco Electronics (formerly AMP, Incorporated) in the Communications and Industrial Solutions (CIS) division in Middletown. I've been with the company for 20 years, and mainly focused on process development for new connector projects. Put simply, I get to figure out how best to make many of those parts in your computers, cell phones, games, servers, appliances, lights, etc.

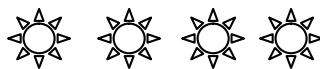

My education includes a B.S degree in Manufacturing Engineering from Rochester Institute of Technology (RIT) and A.S. degree in Industrial Technology from State University of NY at Delhi.

Much of my personal time is happily consumed by being very active in sports, home, school, Scouting, & of course Trinity activities. I spend my Fall and now Spring seasons coaching Miranda & Nick's recreational soccer teams. In my remaining spare

time, I am an avid sports fan of the New York Yankees, New England Patriots, Hershey Bears, and Penn State football.

Why am I involved at Trinity? I am originally from the Hudson Valley region of upstate New York. In this rural setting of eastern NY, my family has deep roots at the West Copake (Dutch) Reformed Church, where I was baptized, confirmed, taught Sunday School, and was very active until moving to PA. I learned to appreciate the value of the small-town church, its family atmosphere, and wanted to continue practicing my Reformed faith. I had attended 3-4 Presbyterian churches in the area when I first moved to PA, but found Trinity after we built our home in Country Squire Estates in 1994. As I become more active and entrenched in the life of Trinity church and its family, I am convinced that we made the right decision to come here!

Fun Fact: My wife Molly & I first met under the Route 222 overpass at the Lancaster/Reading interchange of the PA Turnpike.

### **Deb Dunnigan, Consistory Member (Deacon)**

Hi, my name is Debra Dunnigan, born and raised in Hershey. My parents were Paul, who passed away in Dec of 2005 and Elaine Ruth currently living in Missouri with my oldest nephew. I have one brother Fred Ruth. I am a 1974 graduate of Hershey. From April of 1970 to Oct 1974 I worked at Shearer's Bake Shop. I left there to start working for the Federal Government at the Navy Depot in Mechanicsburg currently the Naval Support Activity. This October it will be 35 years that I have worked there. I am looking forward to retirement hopefully within the next 10 years or sooner. Currently I also help out between the middle of March through the middle of July with the Dutchman Tournament that is held at Palmyra Lanes. I have been doing this for the last 7 or 8 years.

When I was 8 years old I started to bowl at K & B Lanes, currently Palmyra Bowling. It was 5 to 6 years ago I stopped bowling because I was getting more involved in the church and it was too expensive. In 1981 I shot the first 700 series in Lebanon County, which was 743 and I also shot my highest game of 288 that same night. I held that high series for the county for about 10 years until another woman beat me.

All Three of my children bowled. The boys are still bowling to this day. They all started when they were around 3 to 4 years of age. Between my two sons they are averaging between 185 and 200. At the young age of 16 Stephen already had three 300 games, I lost count of how many 700's the child has.

Ryan graduated from Palmyra in 2004 and in October went to Thompson Institute now Kaplan for Computer Networking Administrator and is now working for a company off Vartan Way in Harrisburg called E-PHARMPRO. They maintain Pharmacists' computers within hospitals.

Erin graduated from Palmyra in 2008 and is currently going to Kaplan for Medical Assistant and works at Carter's Outlet at Hershey.

Stephen is a junior at Palmyra and will graduate in 2010. He is currently working at the Palmyra Bowling Lanes. In prior years he helped with the after school leagues they ran. He also likes to play baseball.

I like to knit dishcloths, I like being active in all my children's activities when I can. I like doing crafts. I don't do them a lot but when I do I really enjoy doing them.

Why am I involved at Trinity? I have been with Trinity's Church family since 1993. What brought me to Trinity was the night that we were sitting in the van and my daughter asked me where God was. I told her he was above the clouds watching. She then asked, "Where is he"? I thought to myself that's it, it's time to go to church. I called a friend of mine that went to Trinity at the time and she met me that next Sunday and I went to Sunday school with her and that is all she wrote. I have been here ever since and very involved at times. For a few years I helped out with the 3<sup>rd</sup> – 5<sup>th</sup> grade Sunday school class helping Brynn McCurdy. Currently I am involved in consistory. I am on the Personnel commission and I am the co-chairperson on the Worship and Music commission. I am also involved in the AWANA program that meets Wednesday nights. I sing in the choir and I am the newest member of the hand bells which I am really having fun with. I helped with VBS for years and sometimes I would really have some bad days and couldn't wait to get to Bible School and as soon as I got there I felt so much better the rest of the day. Serving the church just makes me feel better.

### **Donna Klinger, Consistory Secretary (Deacon)**

I have three sons, Tim, Doug and Andy; four grandsons, Eric, Ryan, Matthew and Jacob; and one granddaughter, Ellie. I am an Assistant Professor at Harrisburg Area Community College in the Allied Health Program for Surgical Technologists. I still work in the Operating Room at the Hershey Medical Center about three to four times a month.

Why am I involved at Trinity? I was baptized and confirmed here at Trinity in Palmyra. I have been on Consistory several years and I enjoy being the chairperson for the Church Life Committee which is responsible for many of the social activities here at the church. I also sing in the Choir and am happy to help on any project when needed.

## EASTER CARD

Many symbols remind us of Jesus' death and resurrection. This Easter, put some of those symbols on special cards. Then give the cards to other people to share the good news that Jesus is alive.

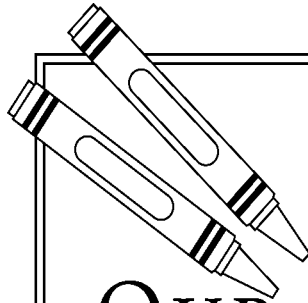

### What you need:

- Craft foam
- Pencil
- Scissors
- Hot glue gun
- Empty food can without label
- Paint and paintbrush
- Paper plate
- Paper (8 1/2" x 11")
- Markers or crayons

### What you do:

1. Choose some simple Easter shapes to draw on the craft foam (cross, empty tomb, heart, etc.).
2. Cut out each shape.
3. With an adult's help, glue the shapes onto the can.
4. Pour a thin layer of paint onto a paper plate.
5. Roll the can in the paint and then roll the can onto the paper.
6. Try this several times using different colors.
7. When your paper is dry, fold it into a card.
8. Write "Happy Easter!" or a Bible verse on the front of the card. Then give it to someone.

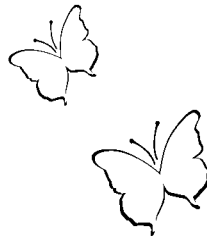

Just for **KIDS**

## OUR LIVING HOPE

Easter is a time to rejoice because of what God did for us in sending his Son. Jesus is our living hope. Read 1 Peter 1:3-4 (NIV) below. Then find the **bold** words in the crossword search.

"Praise be to the **God** and **Father** of our **Lord Jesus Christ!** In his great **mercy** he has given us **new birth** into a **living hope** through the **resurrection** of Jesus Christ from the dead, and into an **inheritance** that can **never perish, spoil or fade** — **kept in heaven** for you ...."
