## Dear Parents at Trinity,

We are in the process of creating an emergency phone number list for all those children who attend Sunday School, Children's Church, or Youth Group activities at Trinity UCC. While it would be our hope that such an emergency (medical or otherwise) would not occur, we need to be prepared with the most accurate contact information. That said, please take a few minutes to complete the following information, and return this form back to Dawn Yeagley, Church Secretary.

Please be assured that this information will not be shared with any outside persons. It is our intent to post this list in the Sunday School classroom area, and in the Church Office only.

Hereafter, we would plan to solicit any updates from you on a yearly basis. Thank you in advance for your assistance with this very important matter!!!

Best Regards,

Christian Education Commission
