Dear Parents:

Periodically, staff or volunteers at Trinity UCC take pictures of attendees and/or events for promotional purposes. Some of these photos are posted on internal bulletin boards, and some are posted on our church website (www.trinitypalmyra.org). Recognizing our legal obligation concerning parental consent, we are therefore requesting your approval to take and post such photographs of your child(ren). For pictures posted on the website, we would never include any personal data, and do not intend to post individual close-up shots of any minor, but rather in group activity poses.

Your time and consideration with this approval are very much appreciated! Please return the bottom portion of this form to Dawn Yeagley, Church Secretary, as soon as it is completed:

Thank you!
